Pastor's Column

We had had a marvelous fall season together: attendance was superb on September 11 as I was installed as your part-time pastor and the fall Sunday School program began! This fall, we have taken in new members and baptized another baby. Clearly, we are headed in the right direction. Thank you for welcoming Joe and me into the church family and for working so hard on the parsonage! Thanks for recognizing my service among you on Pastor Appreciation Day with the lovely bouquet of gorgeous flowers!

As of now, Joe and I will plan to move into the parsonage on Wednesday, November 9. We will need volunteers at the parsonage to help us unload the boxes. Our Thanksgiving worship service at Salem will be on Sunday morning, November 20. After that, Joe and I are departing for California to be with our two youngest sons (and other friends and family) for Thanksgiving. Our very own Melissa Smoker will fill the pulpit on November 27 (which is the First Sunday in Advent this year). As is the case every 7 years, Christmas Eve falls on a Saturday and so we shall hold two worship services here on Christmas Eve. On Christmas morning, the elders will put together a simple Christmas morning worship service. This decision was made based on a congregational survey taken on October 23. Joe and I are so thankful to be with you here at Salem and we look forward to moving into the parsonage and being your neighbors!

Blessings, Pastor Victoria

Salem Council News

The parsonage is almost ready for Pastor Victoria and Joe; gutters will be replaced within the next week or two. Please sign up to help if you are available for the Wednesday, Nov. 9th moving party! Thank you to everyone who helped with getting the parsonage ready inside and outside!

Youth Fellowship News:

Next Meeting: Sunday, November 20th from 11:00 a.m. to 1:00 p.m. in Memorial Hall for a Holiday party! We will play games, make a craft and have lunch. All girls and boys ages 8 and older are welcome to join us!

Salem Youth Fellowship:

We haven't talked to you about Youth Fellowship for quite a while now and thought you might still like to get together for the outing we had promised (Over three years ago...wo how time flies). It's always a joy to see you and are amazed at how you've all grown up so much and are now involved with making decisions about your adult lives, either planning on colleges, tech schools, or other careers.

We are once again involved with Youth Fellowship here at Salem Church and have started planning for two separate groups according to age and interests. The younger kids are excited about the program and are looking forward to it.

If you would like to bring your group back together and invite a friend to join us for the outing, it's possible to perhaps go to Zao Island for some fun and pizza, or to Inman's for bowling, games and food. Our thought is to have the outing in November (after church service) due to everyone having such a busy schedule.

Our faith is an important building block all throughout our lives and we are blessed to have Salem UCC and our church family to help us along the way. We'll be in touch as we try to put an outing together and you can reach us at (219) 531-1979, if you have any questions or comments.

God Bless you,

Jim & Rae Manhart

OUR CHURCH'S WIDER MISSION

There have been some questions regarding our church's offering to OCWM ("Our Church's Wider Mission"). This is the mission arm of our church and by contributing to OCWM through our denomination, our mission dollars go further than they will go alone. (We are always stronger together.) There is a lot of information which is available for you on the webpages managed by the United Church of Christ (www.ucc.org) and also by the Indiana Kentucky Conference (www.ikcucc.org). Check out these webpages for the very detailed information available there. Shorter, printed information is available in our narthex for your review. We certainly can hold a question and answer session with much more information at a later time. In short, our church can support OCWM with "basic support" and this is good use of our funds. We do not need to support the various "special offerings," if we do not choose to do so.

Happy Birthday
